How to use

A few minutes to set up, then just print and write

STEPS

1. Print the A4 or US Letter file at 100% (actual size).
2. Each morning, tick your energy level and pick tasks that fit it.
3. On hard days, use the Low-Energy Reset Sheet instead.

PRINTING TIPS

- Both paper sizes are included: print the A4 file or the US Letter file at 100% (actual size).
- Print as many copies as you need for your own personal use.
